~~SECRET~~
Office Memorandum • UNITED STATES GOVERNMENT

TO : Asst. Director for Reports and Estimates

DATE: 10/1/50

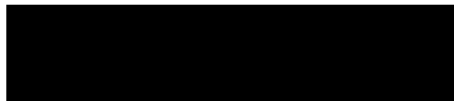

FROM : Asst. Director for Operations

SUBJECT: Realignment of Certain Agency Functions

Refer: Memorandum from Management Office to all Assistant Directors
same subject, dated 10 July 1950.

16. 1. In view of the suggestion regarding the possible transfer of your "presentation function" to this office, included as paragraph 1 d of attachment (dated 3 July) to reference memorandum, we should appreciate further information as to the functions, organization, staffing, and operation of the Presentation and Graphics Branch of your Administrative Staff. We are unable to comment on the proposal, as required by reference memorandum, without more factual data. It is also not clear whether the suggested transfer would include the graphic, cartographic, and situation-room operations of this branch, or would be limited to the function of arranging for the interrogation of Government representatives returning from abroad. Any informal advance comments which you may wish to make on this aspect of the Management proposal would also be appreciated.
